ARMY UNIT HERE FOR CELEBATION

Gets His Wings

LIEUT. HERMAN GERICK

Lieut. Herman Gerick, recently commissioned in the United States Army Air Corps, now flies the combat planes and bombers that will meet the challenge of the Axis powers and bring victory to America.

Lieut. Gerick is the son of Mr. and Mrs. Joe L. Gerick, Sr., of Ad Hall and a brother of Joe Gerick, Jr., of Cameron.

Before entering the final and advanced course at Stockton Field, Lieut. Gerick completed 20 weeks of primary and basic training at Ryan School of Aeronautics at Hemet and Gardner Field at Taft, California.

Lieut Gerick is a former student at John Tarleton College at Stephenville where he had a brilliant student record and was a star basketball player. He graduated at Yoe High School and played football under Coach Carrol Wood and was a great lineman.

Lieut. Gerick at John Tarleton was captain of the state championship basketball team at Tarleton.

He has been assigned to duty with the army air crops. He was born and reared near Cameron. Congratulations are extended by many.

W. B. Newby Dies at Temple Home Thursday

W. B. Newby, 67, for 40 years principal of the Reagan junior high school in Temple, died Thursday afternoon at his home in that city.

He was the father of Mrs. Cliff Werlla who is with the Newton Clinic in Cameron. Mr. Newby had been ill for many months. Funeral services were held Friday afternoon.

Surviving are his only daughter, Mrs. Werlla and two grand daughters, Pat and Carolyn of Temple; one son Arthur Newby of Waco survives.

Call 603 For Army Boy to Entertain Over the Week End

Citizens who desire to entertain men from Camp Hood over the week end should call 603 where your request will be registered.

The Service Recreation Center is being opened at the building formerly occupied by the Western Auto Store. Many pieces of furniture are needed, as chairs, tables, etc., if you have any of these items and will lend them call the Chamber of Commerce office and a car or truck will be sent out for the furniture.

War Damage Insurance Announced by Agency

The Mamie A. Hefley Insurance Agency today announced War Damage Insurance.

Mrs. Hefley's agency will write this insurance for the Government Agency to protect property against damage caused by enemy action or from any cause resulting from the war.

It was not expected that any considerable volume would be had here but the announcement indicates readiness on the part of the Agency to meet insurance demands.

Mr. and Mrs. Bolivar Newton of Rockdale was a Cameron visitor Tuesday.

B. F. Richards of Dallas was a Cameron visitor Wednesday.

Mrs. Lottie Schoners, a sister of Louie and Abe Cohen of this city, from Iola, Kansas was a visitor in Cameron Wednesday.

O'DANIEL AND COLLINS BRING CAMPAIGN HERE

Senator W. Lee O'Daniel and Hal Collins of Wichita Falls, brought their campaign push to Milam county Saturday with a noon day rally on the court house lawn.

Mr. Collins preceded Mr. O'Daniel on the platform. He got more applause than was anticipated and indications are his candidacy is well advance locally. His plea was against gambling and horse racing. He lauded O'Daniel.

Mr. O'Daniel lacked the appeal shown in former addresses. The crowd was nothing to compare with his first address here when he won for governor. At that speaking some ten thousand people were here. It was estimated not more than 1000 people heard him this afternoon.

Mr. O'Daniel said we stand in danger of losing our American form of life with present tendencies.

SECOND FRONT OBJECT OF CHURCHILL VISIT

Winston Churchill, Prime Minister of Great Britain, was in conference with President Roosevelt at the White House Friday.

London tried to minimize the suggestion that the visit here of Mr. Churchill and a complement of British military leaders, indicates the polishing up of plans for an invasion of the continent of Europe.

Stephen T. Early, Secretary to the President, gave rise to talk of the "second front" Thursday when he announced to newspaper men the arrival of Mr. Churchill.

Close observers of British policy said that the second front is more psychological than threatened. A front means fighting and that is something the Allies have not as yet undertaken, on land.

Mr. Churchill came to Washington last December, spending much time with the president. Will his visit this time mean more lease-lend or does it mean that we are finally to go to war. Perhaps neither.

In Foreign Service

PVT. WALTER E. COPELAND

Pvt. Walter E. Copeland is anther of the Milam county boys whose names are on the ever lengthening roll of the patriots who are fighting the battles of democracy and freedom.

Pvt. Copeland is in the Air Corps and is now in the foreign service. He is a communications clerk and a teletype operator.

The son of Mr. and Mrs. H. B. Blackmon of Milano, he graduated from the Milano high school.

Pvt. Copeland enlisted on December 12 at San Antonio and was sent to Sheppard Field at Wichita Falls. From Wichita he went to Rogers Field, Okla., and from there to Savanah, Ga. After his transfer to Fort Dix, New Jesrey, he is presumed to have embarked for the over seas war front and has landed safely.

Mrs. Elmer Floyd and Mrs. Faye Henderson of Freeport, are visiting friends and relatives here in Cameron this week.

Sam Pitts home was destroyed by fire Wednesday about noon. The fire was started by some brush which was burning in a corner of the yard.

To Speak Here

JAMES V. ALLRED

ALLRED WILL SPEAK HERE ON JULY 15TH

Former Governor James V. Allred, candidate for United States Senator, will speak here on July 15, in the afternoon, it was announced here Saturday morning.

The occasion will be the picnic at National Hall which is given each two years.

Emory B. Camp, close personal friend of Governor Allred, was instrumental in obtaining the candidate for the address here on July 15th.

Plans for the picnic call for other state candidates as well as local and district candidates. The picnic will be held on the grounds of the hall site. A dinner will be served and there will be plenty to drink.

Frank Mikulec, program chairman, is making every effort to insure a full day of entertainment.

CAMP HOOD MEN PRAISE CAMERON HOSPITALITY

More than 100 soldiers from Camp Hood spent the week end in Cameron, and reported that they had not received such hospitality in the many towns that they had visited in the past year or more of service.

They arrived in school buses about eight thirty Saturday night and returned to Camp at eight thirty Sunday night. Most of the boys were taken into Cameron homes for the night and for dinner Sunday. They were all praising Cameron hospitality and hoping for an early return visit with us.

A Service Headquarters nas been established in the building formerly occupied by the Western Auto Store.

To make this recreation center complete there is need for more chairs, tables, a radio and other pieces of furniture. If you can lend any of these articles, please call 603.

The boys especially enjoyed the few magazines and if you have any old magazines, let us have them, they will be passed on to the boys at Camp Hood.

British Anger Rises As Churchill Spends Hours With Roosevelt

British anger was rising in England. This time the Press and Parliament have taken up the cry of bungling and Mr. Churchill will have to explain the loss of Tobruk.

Mr. Churchill was in a secret conference in Washington with President Roosevelt and could not be reached.

At home he must face a rising tide of criticism. He has always been able to weather the storm. This time, however the Press and Parliament have solemnly declared nothing he can bring back in the way of cheering messages from America, will suffice. He must explain away Tobruk.

Mr. Churchill has always been able to explain British defeats. It is not so much the loss of Tobruk but the cumulation of British disaster and now failure of both British and America to get going.

Mr. and Mrs. Fred Graves and children of San Antonio are visiting in the homes of J. C. Burke and Preston Graves this week.

GRADY ALLEN CANDIDATE FOR DISTRICT CLERK

Grady Allen, widely known citizen, today announced for publication, his candidacy for District Clerk subject to the Primary Election to be held on Saturday, July 25, 1942.

In a letter to the Publisher of the Herald, Mr. Allen said:

As you probably know, I have announced as a candidate for the office of District Clerk of Milam County, Texas. I enclose my check in your favor to cover announcement fee in your fine paper. You are authorized to place my announcement in your paper as candidate for the office of District Clerk of this county.

I am not making any fabulous promises or claims to revolutionize the office of District Clerk. I am making the race strictly upon my own merits and upon the promise that if elected I will devote my whole time to the office of District Clerk and pledge that I will be found in my office during working hours and that at any time any citizen has any business to transact with the District Clerk, I will be found in the office on the job and they will not have to deal with someone else or look all over Milam County to find their duly elected District Clerk. I feel that for the salary of $3,306.96 per year the tax payers and voters are entitled to a full days' work, six days a week. If elected I will not be A PART-TIME DISTRICT CLERK.

During the campaign, I hope to meet every voter personally and to discuss with them any issue that may be of interest but due to the present emergency and the shortage of tires I fear it will be impossible to cover the entire county and I trust the voters will take this announcement as my personal solicitation for their vote and influence.

I am a native of Milam County and have received my education from the public school system of this county. I am 35 years of age, married and have three children, Mary Frances, a girl now in high school, Grady Allen, Jr., a boy 11 years of age and Jackie Lynn, a boy 11 months old. In religion, I am a Baptist. My family is of the old South and my people were pineers in Milam County where I was born and reared. No member of my family, so far as I know, has ever held or sought to hold a State or County office, although my people have always taken a keen interest in all public and political issues.

In early life I lived on a farm and in later life I have been engaged in business for myself in Cameron. While on the farm, I received a serious injury to my leg and since them have been unable to do hard physical labor which required that I be on my feet. However, this in no respect would prevent me from fulfilling the duties of District Clerk in a capable, efficient manner.

I have no political foes to punish nor political friends to reward and when I am elected I hope to continue to conduct myself so as to merit the respect and confidence of our people in Milam County. If I were otherwise inclined, surely under such circumstances, I, as a public official, would do nothing to mar my future or to injure my standing among the people with whom I hope to live and die.

In closing may I again solicit your vote and influence upon the promise that I will be a FULL TIME District Clerk.

Sincerely,
GRADY ALLEN.

Banks to Close Here Saturday, July 4th

Cameron banks will be closed Saturday, July 4th in observance of Independence Day, it was announced this morning by Lester Williams, Cashier at the Citizens National Bank.

Employes of the bank will thus have two days for rest and recreation

It has been customary and practice for Cameron banks to close on July 4th. Independence day comes on Saturday this year and business houses and bank patrons will have to make arrangements on Friday, July 3rd for cash.

Mrs. White of Stephenville, is here on a visit with her son and family, Mr. and Mrs. Harold White.

At Camp Barkeley

PVT. EDWARD B. JEDLICKA

Pvt. Edward B. Jedlicka is in the Quartermaster Corps of the army and at present is stationed at Camp Barkeley, Texas.

Pvt. Jedlicka was inducted into the service on February 28, 1941, and was sent to Fort Bliss near El Paso and from that place went to Fort F. E. Warren at Cheyenne, Wyoming, where he received his initial training.

After completing his training in Cheyenne he was sent to Camp Normoyle in San Antonio and is now at Camy Barkeley.

He is the son of Mr. and Mrs. John H. Jedlicka of Cameron and is 27 years old. Pvt. Jedlicka is one of two sons in the family now in the service. Clement Jedlicka, 23 is in the United States Navy, having enlisted at New Orleans.

He was born and reared here and his many friends send their congratulations on his progress in the service. Both sons are living up to the highest traditions of service to the Unitel States and their share in victory will be large.

MARRIED MEN DUE TO GET EARLY DRAFT CALL

Information reaching the local draft board in Cameron early Thursday indicated a radical change in the policy of induction of men into the armed forces.

Passage on Wednesday in Washington of the bill provided compensation and setting up 4 categories into which registrants are placed for call, had created an impression married men are not to be called

On the contrary the bill provides for a method of calling men with dependents. Married men are to be called immediately if all men without dependents are taken. Local Boards who have exhausted their Class 1 A men who are registrants without dependents, must call up men with dependents as in the future it will be mandatory to fill all calls.

Compensation for dependents now removes all claims for dependency. Registrants who have no wives but claim parents or others, will be called first. Men with wives and no children will be called second and men with wives and children will be called third The first category are men without dependents and all have been called so that local boards will begin calling up men with dependents to meet current calls.

Clayton Turner Gets Letter Through to His Parents Here

Thomas Clayton Turner, on a United States Submarine in Pacific waters, has written to his mother and father, Mr. and Mrs. Tom C. Turner at Cameron.

Clayton has been in the service for a long time. During the recent activities in the Philippine waters anxiety was felt and Mr. and Mrs. Turner had not heard from their son in months.

In his letter Turner says he received 6 letters at once from his parents. The letter received here by his parents was written on April 13th.

Pvt. Wilburn Shuffield and Miss Minnie Ingram were married in Judge Kemp's office Tuesday with Judge Kemp reading the ceremony.

CAMP HOOD MEN WILL BE HERE ON JULY 4TH

From 500 to 800 Camp Hood men with mechanized equipment will be in Cameron on the night of July 3rd in preparation for the July 4th celebration.

L. Van Perkins announced that plans are being made for the celebration which is to include a colorful military display. The men will encamp at the high school campus and will be given the use of the gymnasium.

Col. Edward Purdy of Temple was in Cameron Monday to make arrangements for the men from the 804th tank Batallion to be here.

At 10:30 Saturday morning a parade will be staged. Dances will be arranged for the men Saturday night and they will remain through Sunday. A rodeo has been arranged for the men at Wilson-Ledbetter Park Sunday afternoon.

Mr. Perkins said that no soldiers would be here Saturday night because all leaves have been canceled until July 4th. Cameron was prepared to entertain soldiers over the week end and will resume these hospitalities after July 4th.

ROOSEVELT SAYS THAT LAND AID TO BE GIVEN

President Roosevelt was revealed to have told Secretary Harry Hopkins who made an address in New York Monday night that the United States will give Russia land aid.

Mr. Hopkins was addressing a Russian Relief meeting in New York and brought word from the President who is in conference with Prime Minister Churchill in Washington.

Russian lines will not be broken again, said the statement, except through American fighting men on the continent. A land help to Russia could mean only one thing, that is an army fighting in Europe.

It was further indicated that Mr. Roosevelt and Mr. Churchill have reached full agreement and a joint statement was expected hourly.

The military situation was described in Washington as the most serious this nation has faced in its history.

Actually the military situation was the gravest yet faced by the Allied Nations since the fall of France.

Shipping experts were called in early Tuesday in what was believed to be a serious consideration of an invasion attempt. At first there were a number of factors which were said to be ruling out an early invasion.

Since the Roosevelt message sent to Hopkins in New York and reported Tuesday in a special broadcast, hopes are revived now that America may go to war.

60,000 Pounds of Scrap Rubber Now Reported In County

Approximately 60,000 pounds of scrap rubber have been collected in Cameron by wholesale dealers. That does not include scrap rubber still in the hands of local filling stations. Some of this amount was brought in from rural stations

Rockdale reported 35,000 pounds last week. Their total should be much larger by now.

Cittzens who have not turned in scrap rubber are asked to do so at once. Retail filling stations also are asked to turn in their stocks of rubber to their wholesale agents as soon as possible. Please do not wait until the last day, as agents would like to move this as soon as posstble.

Boy Scouts in Cameron are making a house to house canvas for rubber and will call for this rubber as soon as they have completed their canvas.

If you have any scrap rubber for the Boy Scouts, phone 2.

If you have not made a thorough search of your premises, for scrap rubber, do so at once—your country needs it!

What You Buy With WAR BONDS

The Army's fighter planes are the finest in the world and develop speeds up to 400 miles an hour. They cost approximately $100,000 each, provide fighter escorts for the huge flying fortresses, and combine speed, range, altitude and blistering fire power.

America's plane production plants are working over-time turning out thousands of these fighter planes. War Savings Bonds will help pay for them and the American people are committed to at least ten percent of their income to finance their cost in War Bonds. Every American, buying his share every pay day, will make it comparatively easy to supply our army and navy air corps with these supreme Eagles of the air.

Churchill Facing Bitter Fight in Commons

Winston Churchill, British Prime Minister, now in Washington for a conference with President Roosevelt, has been summoned home by trasatlantic telephone to answer criticism in the House of Commons over the conduct of the war and the loss of Tobruk in the Libyan campaign.

Mr. Churchill faces a more difficult situation than at any time since he became the King's first minister. A confidence vote will be asked and a resolution has already been introduced placing responsibility on Mr. Churchill's government.

GOVERNMENT of the people, by the people, and for the people shall not perish from the earth.

Abraham Lincoln

* * *

Standing on the battlefield of Gettysburg where almost 46,000 soldiers of the North and South had died, Lincoln dedicated the National Soldiers' Cemetery on November 19, 1863, with a masterly oration. It contains fewer than three hundred words, but each is a forensic pearl of price.

Reds Selling Lines At Sevastapol Dearly

The Red Army is selling their lines in Sevastapol at a righ price and the Germans, already losing 100,000 men in the fight are going ahead heedless of their frightful loses.

The German philosopy of battle is to attack. They are willing to pay the price and so Sevastapol will soon be in the hands of Hitler.

The Russians were retreating slowly and were making the Germans pay dearly. Yard by yard the battle was being contested bitterly but there was little doubt the Germans would be able to take the city and thus open a route for an invasion of the rich Russian oil fields.

28,000 British Are Captured at Tobruk

The fall of Tobruk in the Libyan battle has cost the British 28,000 men it was announced today.

Included in the number of soldiers taken are a number of British army generals.

With characteristic calm the British leaders passed off the loss of their Libyan campaign by saying it might have been worse. Of course it could have been London. At least they think the loss is second only to Singapore.

In Switzerland it was said that Adolph Hitler planned to make an important address, possibly to announce that both Tobruk and Sevastapol have fallen.

DEFEAT IN LIBBYA IS LAID TO CHURCHILL

Momentous decisions were expected to be made by President Roosevelt and Prime Minister Winston Churchill in Washington, said news broadcasts for the day.

The meeting place of Mr. Rooseveit and Mr. Churchill was a closely guarded military secret.

A gathering storm in England may toss the doughty Prime Minister about for he is facing criticism. The British defeat is Libya when all was thought to be going well has just about put the North African campaign out of the picture for the time.

Already in Washington the spokesman of the adminstration are hedging. They say no war will be waged this year, that is a figthing war such as a second front, unless "all the factors involved are right."

Mr. Churchill may have definitely weakened his cause both at home and among the American people. If the meeting here does not produce tangible results the people may well be disgusted.

The RAF was keeping up its share of the war against Germany. Industrial Germany was bombed Saturday and the British say they lost 9 planes. France was being bombed late Saturday.

The situation in Libbya was unchanged.

The Red Army is facing the most crucial phase of this war. The Germans were still storming the city of Sevastapol.

Red Cross Knitting Work Needs Volunteers Responsibility Grave

Need for help in carrying on Red Cross garment work here was critical Saturday as an appeal was made by those in authority for more volunteers.

Up to this time a few have accomplished much. The great need is for more women, especially young women to volunteer for this work.

Mrs. F. C. Fahrendorf who heads the work for knitting garments such as sweaters and small pieces for soldiers has done a very splendid job and her efforts deserve a wider cooperation. A visit to the Red Cross room where the knitted articles are being assembled for shipment to the Red Cross for distribution to soldiers will disclose that much is being accomplished.

The deadline for certain quotas of knitted goods has been set for August 1st. It is imperative that help volunteer for this work. Lack of response to appeals for help suggests that the war necessity has not yet been realized by the people. No community may be said to be fully cooperating in the war efforts if its women neglect this kind of Red Cross work.

Along with the scrap rubber, campaign, the bond sales campaign, the scrap iron drives, there remains the more vital need, Red Cross Work to get warm garments to bodies that are to face another winter of cold and privation. Then too, for the sake of our own men wherever they may be, these garments must be supplied.

Cut down on your bridge, leave off the parties somewhat, put your idle hours to use. Be a good soldier. The men on Bataan were good soldiers. Call for yarn today. Don't let it be said you had no part in preserving our day and our world.

N. Y. A. Wants Boys For War Training

R. A. Willingham, United States Employment Service, announces that white male and famale youth, between the age of 17 years and 25 years, are needed in war training classes. Training is offered in sheet metal, machine shop, auto mechanics, and industrial sewing. A small monthly salary is paid while in training. "MY SAVINGS ARE GIVING *HIM* A BETTER CHANCE TO COME BACK *Alive!*"

"I'M just an old lady, 81 years old, but I can't do much about this war, except knit. But I have one grandson in the army, and two more who will be there soon. And I'm proud to know that my savings invested in power and light company stocks are helping to give *my* boys, and others, a better chance to come back alive! It's a comfort to me to know that the industry my savings helped build is able to supply all the power needed to give our boys the best possible protection in their fight for victory!"

This grandmother* is one of the two million citizens, people from every walk of life, who are stockholders in America's privately operated electric power companies. Their savings, combined with the funds of insurance companies, and the endowment funds of institutions of every kind, made possible the building of the electric power plants and nation-wide web of power lines that produce and transmit 7-8 of America's electric power...more power than is produced in Germany, Italy and Japan combined.

In Texas, the Texas Power & Light Company is "all out" for victory...supplying the present power needs for the war effort in the area it serves...and planning for the increased needs of tomorrow!

*The above quotation is from a letter from a stockholder of Texas Power & Light Company. Name will be furnished on request.

Wilson Killen and Alice Strzinek Are Married In Austin Sunday Morning June 21

Wilson Killen, Cameron business man, was married Sunday morning at 7:30 o'clock at St. Mary's Rectory in Austin and Miss Alice Strzinek, formerly of Cameron, was the bride.

Rev. J. J. O'Brien, performed the ceremony, witnessed only by a small number of friends

Among the pre-nuptial courtesies given in honor of the bride were a Crystal Linen Shower at the Dixie Tea House in Austin and a dinner at the Spanish Village.

Mr. and Mrs. Killen left Austin for a short wedding trip and will return to Cameron within a few days.

The bride is the daughter of Mrs. Emilia Strzinek of Cameron and was born and reared here. She has been in Austin for several years where she has a position with the State Government under the Social Security Board.

Mr. Killen is a prominent Cameron business man, a member of the firm of Esslinger & Killen.

Their many friends in Cameron extend congratulations and wish for them success and happiness.

Williard Smith of Gause was a business visitor in Cameron Thursday.

Demo. Committee Rules Out Political Rallies This Year

The following resoultion has been adopted by the Democratic Executive Committee:

Whereas, in the past this Committee has sponsored speaking dates over the county for the candidates and have encouraged voters to attend these meetings; and

Whereas conditions have materially changed, our Nation is at war, and our boys are rapidly going into the Service, and our people are and should be thinking more of WAR than of politics, and our government has suggested that we conserve our automobile casings, etc., and we deem it improper for political rallies to be sponsored this year.

Therefore, be it resolved by the Milam County Democratic Executive Committee in regular meeting assembled, that no county or precinct political meetings be held in the county in so far as county and precinct candidates are concerned, during the present campaign, and that the people be urged to conserve their auto casings and rubber in every way possible. and,

Further, that there be no political box suppers, and that all county and precinct candidates be earnestly requested not to make any politicial announcements at any public meeting during the campaign.

Respectfully submitted,
E. A. CAMP.

CHRISTIAN SCIENCE SERVICES

"Christian Science" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 28.

The Golden Text is: "Laying aside all malice, and all guile, and hypocrisies, and envies, and all evil speakings, as newborn babes, desire the sincere milk of the word, that ye may grow thereby." (I Peter 2:1, 2.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope." (Romans 16-4.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christian Science, understood, coincides with the Scriptures, and sustains logically and demonstratively every point it presents . . . It presents the calm and clear verdict of Truth against error, uttered and illustrated by the prophet, by Jesus, by his apostles, as is recorded throughout the Scriptures" (page 358)

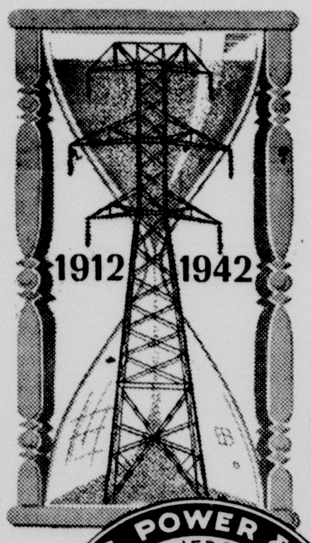
30 YEARS *of Experience*



Now Working for **VICTORY!**

TEXAS POWER & LIGHT COMPANY — 30th ANNIVERSARY YEAR — SERVICE FIRST — "Texans Let's Work For Victory"

WORKING for Victory! That's what the Texas Power & Light Company is doing . . . working constantly and dependably so that Texans may use TP&L Electric Power in countless ways to make certain America's Victory!

Right now when we're all working to produce almost unbelievable quantities of the implements and armaments of war, there is no substitute for *experience!* In these times, *30 years of experience in keeping Electric Power constantly on the job* means a great deal to you and to America's Victory.

This Company had the power ready when it was needed for the Victory Program . . . in every instance it promptly and efficiently met all the needs for electricity of every project and at the same time has continued to deliver dependable service to its 151,000 customers. Now it is enlarging its Trinidad power plant by installing a new 30,000-kilowatt turbo generator which, within a year, will be sending additional power to army camps, war industries, and civilian enterprises in North, Central, and East Texas.

The Texas Power & Light Company is now in its Thirtieth Year. The advent of dependable transmission line electric power service, pioneered in Texas by this Company in 1912, put Texas "on the march" industrially . . . made is possible for Texans in small towns, as well as in the larger cities, to operate factories utilizing Texas' abundant raw materials and natural resources. As a result, the industrial facilities which Texas has geared to America's war production program are highly diversified . . . as to location of plants, as to products, and as to the experience and training of her industrial "family."

In quietly observing its 30th Anniversary this Company cherishes its identity with the growth of the 52-county area which it serves. Its seasoned organization, its timetested facilities . . . all its resources and resourcefulness in serving Texans in all kinds of emergencies . . . now constitute this Company's "birthday gift" to America's Victory in this war!

Miss Winnie Bailey Becomes the Bride of Ernest Senkel in Church Wdding Saturday

A wedding of interest to many people in this section occured on Saturday night, June 20th at Little River Baptist Church when Miss Winnie Bailey, became the bride of Ernest Senkel.

Rev. R. Kalkbrenner of Vogelsang Luthern Church read the impressive ring ceremony.

The bride and groom marched down the isle of the historic church as Mrs. Ted Cross of Calvert played the wedding music. Mrs. Tommie Tyson of Calvert sang "I Love You Truly," and "Because.'" The wedding march was from Mendelshon.

The bride was beautiful in a costume of floor length Marquesette with long train veil and orange blossoms for hair dress. She carried a boquet of white Carnations with long ribbon streamers, tied with Sweetheart Rosebuds. For something old she wore a gold pin that her mother wore at her wedding and for something borrowed a string of pearls belonging to her aunt.

The bride's maids were sisters of the groom, Misses Leona and Evelyn Senkel They were charmingly gowned, Miss Leona Senkel wearing pink Marquesette, floor length and Miss Evely aqua blue. Junior bride's maid, Mary Ann Glyn wore orchid organdy. Barbara Jo Young, daughter of Mr. and Mrs. Dick Young, was flower girl and wore blue.

Herman Dorner of Ben Arnold was best man and the other groomsman was George Walker of Maysfield, all wearing conventional dark as did the groom.

Joe Bailey, brother of the bride and Ralph Phipps were ushers.

The church was beautifully decorated with flowers banked about the place of the ceremony near the altar.

Mr. Senkel is the son of Mr. and Mrs. Walter Sekel of Maysfield, and was born and reared in Cameron.

The bride is the daughter of Mr. and Mrs. W. E. Bailey of Jones Prairie.

The bride and groom left for San Antonio and other points on a wedding trip.

A stated meeting of San Andres Lodge, A. F. & A. M. will be held Thursday night June 25, 1942. All members are urged to attend and visiting Masons are welcome.

CALVIN MARKHAM,
Worshipful Master.

ONE EACH HOUR IS TOLL FOR THE DAY

Twenty-four merchant ships, one each hour, have been sent to the bottom of the Atlantic as the result of German U-Boat action to destroy war shipping.

In Washington where President Roosevelt and Prime Minister, Winston Churchill are in conference, presumably mapping strategy and making plans for an attack on the Axis through an invasion of the Continent of Europe, consternation was said to prevail.

It was the most descouraging week of the entire war. For each hour of the day a ship went down. Some of them British but in the main they were American ships.

There was no doubt that Germany has begun her all out effort to prevent a sustained shipping lane and to forestall what has been described as a coming invasion of the continent.

An un-named officer today was credited with the charge that Spaniards are operating as German and Japanese secret agents and are tipping off ship sailings.

There was abundant evidence that much of the shipping losses can be traced to secret agents.

Belief was expressed that someday the American people will get tired of politicians; that the Federal Bureau of Investigation should be given a free hand in dealing with secret agents; that the firing squad tactics of Nazi Germany might well be employed in certain instances. At least known aliens and many who are nationals of the Axis powers should be interned as precautionary measure.

Major action was in the making in Libya where the Axis armies under General Rommel were preparing to invade Egypt.

The Germans have driven a wedge in the Red lines at Kharkov.

Sevastapol was critically involved in what must surely be a German victory within the next few days.

In spite of all the Red Army's fierce fighting the Germans were destined to get Sevastapol. At Kharkov 400,000 crack German troops have been thrown into the battle.

The rich oil fields of the near East, the Suez Canal and the Near East were all definitely slated for Axis conquest based on the impotency of the Allied armies in these areas.

In Washington there was still no indication that America has gone to war.

JAPS LANDING ON ALEUTIAN ISLANDS

Americans not essential to war work or in the armed forces have been asked to leave the Hawaiian Islands by Lieut. General Emmonds.

Fear that the next big battle to be fought in the Pacific will ental conquest by Japan of the islands where Pearl Harbor is situated climaxed in this warning to Americans not necessary to the war effort.

General Douglas MacArthur has pledged the American people that Hawaii will be held. That the general staff including both the army and navy anticipate an all out attempt on the part of Japan to take he islands, was conceded everywhere Monday as the Allied cause folded up on the Libyan desert and Japan continued to land troops on the Aleutian Islands only 585 miles from Dutch Harbor.

To cap off their day of invasion a Japanese submarine shelled the coast of Oregon Sunday night but little damage was reported.

The Japs have made fresh landings, this time on the Island of Kishka which is only a short distance from Dutch Harbor. The Washington government expressed some concern but said that bad weather had interfered with operations.

One aircraft carrier and one Japanese Cruiser have been hit by American Army planes, the cruiser being reported sunk.

The Japs are being blasted at every opportunity. There are no American troops in that isolated section of the world though Dutch Harbor is a naval and air base. Off Kishka a small harbor was said to have been taken by a small Japanese naval fleet and there the American Army planes sunk the Cruiser and damaged the carrier.

For the second time since war began the west coast has been shelled by a submarine. Early Saturday the Japs made an attack on the west coast of Canada but little damage was done.

Austrailia was resting easier. Fears have been revived in Hawaii, but American forces are ready. It will be another Midway. Certainly the Japs can not pull another sneak attack or be strong enough to make conquest possible.

"Family Men" Defered Until Single Men Are All Called Up

President Roosevelt signed an act of Congress Wednesday defering "Family Men" from the draft until all single men are called to service.

This bill has been pending for sometime and is regarded as placating certain factions in Congress who have contended all along that married men should not be called until all single men have been drafted.

It was regarded as possible also that this will mean that young men in defense plants may be replaced by married men under the Total Manpower Mobilization under Paul McNutt, Administrator.

Saddler Withdraws His Resignation

Jerry Saddler, member of the Railroad Commission, who recently resigned, today had withdrawn his resignation which he filed with Governor Stevenson.

At the time of his resignation he asked that Paul Kilday of San Antonio be appointed his successor. Governor Stevenson declined to make the appointment and ten candidates filed for the place.

Kilday sought to restrain the Democrtic State Committee from certifying anyone's name save his own to the ballot and was denied successively in the courts.

Saddler had entered the army and had been commissioned a Lieutenant.

Dan Moody Begins Campaign Tour For United States Senator

Austin, June 20.—Pledging himself to follow the lead of President Roosevelt in winning the war, Former Governor Dan Moody this week began an active speaking tour to put his campaign for the U. S. Senate before the people of Texas.

The red-headed Moody, once attorney general and twice governor of Texas, last week made a statewide radio address from Houston and spoke before a mass meeting in El Paso. Saturday he spoke at Hillsboro and Waco.

This week he hits the East Texas campaign trails where the cry of "Dan's the Man" was a familiar one until his voluntary retirement from public office in 1931.

Challenging Sen. O'Daniel to "defend his record as an isolationist," and pointing out that Jimmy Allred has yet to define his stand on the 40-hour week law and other issues of the day, Moody is outlining his views on the measures necessary to win the war and to insure peace.

"My idea of winning the peace is to win the war—not a negotiated peace. We must disarm the aggressor nations and bring about an association of friendly nations pledged to the preservation of peace and the use of force to maintain the peace.

"We must bind to us with hoops of steel, in a broadening and strengthening of President Roosevelt's policy, the countries of South America. We must have a peace that insures to the people of all nations a feeling that they can live safely withing the borders of their own land.

"To this end new tariff policies must be adopted. We must, through the re-establishment of world trade, promote the prosperity of our nation and improve the living conditions of the people here and in the lands beyond the seas.

"I stand for bringing the maximum of recources and manpower into the struggle to win the war. I pledge that I shall devote every talent that I have toward seeing to it that while our army and navy win this war, that we do not lose at home the cause for which they fight.

"No isolationist should be permitted to block our war effort or wreck the peace this time. President Roosevelt is entitled to the loyal and wholehearted support of every citizen. I count it as a duty of citizenship to follow his lead and support his efforts in waging freedom's war."

Moody, who made an outstanding record during his two terms as governor, is expected to poll a large vote in the primary. Born in Taylor, June 1, 1893, he was educated in the public schools of Taylor and the University of Texas. He enlisted in the Army during the first World War and was commissioned a second lieutenant of infantry.

He was elected County Attorney of Williamson County in 1920, appointed District Attorney of the 26th Judicial District in 1922, and elected Attorney General of Texas in 1924. He was first elected Governor of Texas in 1926.

172 Camp Hood Men Will Be Here Tonight

L. Van Perkins, manager of the Chamber of Commerce said early Saturday that 172 Camp Hood soldiers will be in Cameron early this evening to spend the week end.

About 50 of these men have been spoken for in Cameron homes but other calls were being received and Mr. Perkins felt sure that a much larger number and perhaps all would be taken into homes.

The evening and Sunday will be filled with entertainment for the men.

Mrs. A. J. Montgomery and family are here on a visit with her parents, Mr. and Mrs. A. N. Green.

Emden Gets Blasting Similar to Cologne

Emden has been blasted in a manner similar to the attack in Cologne by the Royal Air Force which lost 6 planes in the bombing, indicating that the attack was a large scale operation

At the same time the British announced the bombing of Emden they revealed that reinforcements have reached the British army in Libya.

Women and children have been evacuated from Sevastapol where the Germans were expected to gain a victory at great sacrifice.

So Take Good Care of Your Gas Equipment

Make it Last till We Win this War!

★ ★ ★ ★ Since this country has to skimp on metal household goods, we urge you to keep your gas equipment in first class condition.

I. ROOM HEATERS: To store for the summer, remove dust inside and out; wrap in newspapers and keep in a dry enclosed place.

II. RANGES: Do not let food spill over (in top cooking, the simmer-burner heat prevents this; in oven-cooking, careful handling does it). Do not set hot vessels on the bare porcelain surface. (Use cork mats.) Do not use the oven to heat the kitchen in cold weather (prolonged heat will cut down the life of the oven walls). Do not clean up the range while the enamel is warm. When it cools, remove crumbs and spatters with a damp cloth. Do not over-cook foods. It means wear and tear on the range, as well as on the groceries.

SPECIAL NOTICE

The Government Order freezing all types of gas heating equipment has been amended. Floor Furnaces, Gasteam Radiators, Circulators and Radiant Heaters NOW may be sold and installed for use in rooms which do not already have some type of heating equipment. Likewise, under certain conditions, you are permitted to purchase and install Gas Ranges and Gas Water Heaters. You gas company will be pleased to advise and assist you with complete information and details.

DINNER PARTY

Mr. and Mrs. Randolph Williamson gave a dinner party for Mrs. J. L. Howard at their home in Cameron on Thursday night. The occasion was the 71st birthday of Mrs. Howard, the mother of Mrs. Williamson.

A buffet dinner was served on the lawn to 20 guests. After dinner Mrs. Howard received gifts and opened them, expressing her appreciation.

The followng were present: Miss Lilian Atkinson, Miss Annie Stallworth, Mr. and Mrs. Sherwood McLaren and family, Mrs. Mamie Parnell, Mr and Mrs. Mott Terry, Mrs. Ella Clark, Mrs. J. L. Randolph, Mary Randolph, Lois Randolph, and Mrs. Maud Werner and daughter.

Out of town guests were. Mrs. Charlie Mitchell of Dallas; Mrs. J. D. Howard and son John D. of Shreveport, La., and Mr. and Mrs. C. E. Howard of Waco.

BIRTDAY PARTY

Jimmie Markham, son of Mr. and Mrs. Calvin Markham, celebrated his fourth birthday on Thursday afternoon. The boys and girls played on the lawn until time to cut the cake. They were brought into the dining room where a beautiful cake with red and white icing, and a tiny rope, symbolic of the cowboy life with which Jimmie is so infatuated, tied around it. Other decorations were red and white caranations on each side of the cake.

After singing happy birthday to Jimmie, everyone went out on the lawn and enjoyed ice cream and cake. For plate favors, cowboys made of suckers with bright colored hats, and stuck in gum drops, were used. The place cards had each child's name on them.

Jimmie gave each one of his guests a colored bailoon to carry home.

Those presnt were. Harold White, Dickie Denson, Billie and Elizabeth Newton, Nancy Lawrence, Jimmy Price, Johnnie Davis, Dwight Moody, Wayne Miller, D. D. Denson, Richard Hester, Joyce Alexander, Charles Allday, Joyce Nicholson, John Douglas Reighart, Netta Archer and Ben and Nan Hubert.

Harvey Yoe is visiting friends and relatives in Cameron this week.

SEFCIK-KUZEL

Miss Norma Kuzel became the bride of Staff Sgt. Johnnie D. Sefcik in a ring ceremony performed in San Antonio on May 22, at 5.30 p. m. by Father Elmer J. Powers at St. Mary's rectory. The bride's only attendent was Miss Irene Stanislaw of Cameron, who now is employed at Duncan Field. Thomas Quinlivan served, as best man. The bride was lovely in a white dress of sheer silk marquisette. The tucked yoke centered with tiny self covered buttons was outlined with a ruffle. Short puff sleeves, a full skirt fell to floor length over taffeta. The head dress fashinoned of the dress material and decorated with orange blossoms, fell to elbow length. She wore a pearl bracelet and carried a taffeta covered prayer book decorated with gardenias and ribbon shower. Something borrowed was pearl pin belonging to a San Antonio friend, Miss Mary Hoke Roberts, something blue, a blue ribbon. Her mother supplied the old talisman—a scapular, owned by her since a child. The groom was in army uniform. After the wedding Mrs. Sefcik changed to a navy crepe suit, with white accessories. Miss Stanislaw, wore a chiffon organdy in pastel shades Rerdingote in style, her corsage was of lavendar gladioli.

Mrs. Sefcik, the daughter of Mr. and Mrs. Henry A. Kuzel of Buckholts was a graduate of Cameron Yoe High in 1940. Attended 4-C Business College in Waco for 12 months and was employed at the Methodist Home in that city for three months prior to going to Duncan Field. Since Jan. 25, she has held a place there as Junior Stenographer for Capt. Robert H. Rea, Purchasing and Contracting and Personnel Officer in Post Utilities.

Staff Sgt. Sefcik is the son of Mr. and Mrs. J. J. Sefcik of Temple. Graduated from Temple High School in 1938. Attended Temple Junior College the following year having won a scholarship. He is Chief Draftsman and Typist at Headquarters Second Infantry Division at Fort Sam Houston. Has been in the army 23 months since voluenteering. After a short wedding trip Mr. and Mrs. Sefcik took an apartment at 227 Delaware, San Antonio.

This young couple has many friends in Milam County and Bell, who wish them happiness and prosperity.

JAPS SLOW DOWN IN CHINA

The only cheering news from the war front was the report that the Japs have slowed down in China. The Chinese army is making some headway in counter attacks.

BRITISH ARE BELIEVED THROUGH IN AFRICA

How serious is the British defeat in North Africa was indicated Friday when the United States government warned all Americans to get out of Egypt at once.

The arrival of Winston Churchill in Washington stirred up talk of a possible bid for aid in North Africa. Some of the pro-administration leaders tried to make it appear that the visit here concerns a "second front" in Europe but since the British position in Libbya has became so grave, it was expected that this government would be asked to send men and machines to Libbya to save the British.

With the British army cut in two Tobruk surrounded coupled with the warning to Americans, some 300 of them, to get out of Egypt, there was little prospect that the Allies could do much to save Africa.

The British are in retreat back toward the border of Egypt. It was conceded that the Germans under General Rommel will make an attack on Egypt and will no doubt take the Suez Canal. The presence of increased allied troops on Crete gave rise to belief the Germans now are planning to end the fighting in North Africa as fast as possible.

The Japs were making their usual progress in China. They have thrown two new types of airplanes into the Pacific war.

BIRTHDAY PARTY

Mrs. Ben Kennon entertained her daughter, Lillie Bell with a birthday party on her 9th birthday. There were ten little boys and girls who attended the party. Games were played and refreshments were served which consisted of sandwiches, cookies and lemonade. All had a nice time and she received many useful gifts.

Leo Wilkerson, a former resident of Cameron but now of Austin was a Cameron visitor Thursday.

REGISTRATION PLACES ARE NAMED BY BOARD

The Fifth Registration will be held on Tuesday, June 30th, 1942, between the hours of 7 a. m. and 9 p. m.

All men born on or after January 1, 1922 and on or before June 30, 1924 will be registered in the Fifth Registration. It is expected that approximately one-half the number of men who were registered in the Third registration will register on June 30th.

The registration card will be gray in color, and all registrants will be registered on the gray colored card.

Arrangements are being made to provide registration places at Cameron, Buckholts, Ben Arnold, Burlington, Jones Prairie and Maysfield, for registrants residing in localities under the jurisdiction of Milam County Local Board No. 2.

Anyone who is unavoidably away from home on June 30th may register at the registration place most conveninent on that day, however all registrants are urged to make every effort to register with their own local boards to avoid possible confusion in the future. Any person who must register away from home is warned to specify his home address so that his registration card may be forwarded promptly to his own local board.

The 5th Registration will complete the inventory of the Nation's potential manpower, although, under current policy, men under twenty are not subject to induction for combat duty.

Registration in Cameron will be held at the office of Local Board No. 2.

FDR CALLS CONFERENCE

NAZI 65 MILES INSIDE OF EGYPT

ALLIED NATIONS LOOK BAD AS AXIS MARCHES ON

German armies under General Rommel were 65 miles inside Egypt Thursday and making rapid progress toward the Suez Canal where the conquest of North Africa may be expected to be completed.

The British were making no attempt to forestall the march of the Axis armies.

A Rome statement said that Sidi Berani had been captured.

A Swiss report heard by the Daily Herald said that Adolph Hitler is planning a new front.

When the announcement was received it was immediately thought that Hitler would begin his long expected invasion of England. It was believed that the German General Staff would not be stupid enough to wait for England and the United States to invade the continent, that is if they plan to do so.

While many military experts have said that Hitler made his worst mistake in not following up his victory at Dunkirk, he still has, in their opinion enough striking power to overwhelm the British Isles if he strikes before American armies can get in position to resist.

It was agreed that many interesting developments would feature war news within the next few days.

Meanwhile in Washington the Pacific War Council was meeting. One source said that the purpose of the conference would be to convince China that she cannot have aid and that Hitler is the main objective. That would mean China is doomed.

While many expected that the conference might produce something tangible to indicate good faith in the war, many were prepared to accept a weak statement of indefinite meaning and perhaps nothing more nor less than what we all have been accustomed to hear since 1939.

Boy Scouts Get Big Gift of Old Newspapers

Boy Scouts in Cameron were given about two tons of old news papers this week. The papers were an accumulation over several years from the files of the Herald.

The papers cannot now be sold because there is no market for them but the Scouts in time hope to realize a subsantial amount from these old papers.

The papers have been hauled from the Herald plant and stored for the scouts.

Mr. and Mrs. A. K. Gurecky and daughter, Barbara Jane, and Mr. and Mrs. J. J. Kohutek of Temple are spending their vacation in Corpus and other points in the valley.

Robert Lee Dakel spent Wednesday in Temple.

Fire Bomb Talk Is Made Here

At the Court House Wednesday night a large crowd of interested citizens heard Frank Williams of A & M Collete lecture on how to cope with bombs in case of air raids. He demonstrated with various types of bombs, acids and etc., and instructed how to meet an emergency if our town and county should be raided. Mr. Williams represents the State Department and travels over Texas conducting training schools for firemen.

Mr. Williams will be invited to return to Cameron for another demonstation. Fire Chief, John Eanes and City Marshal Gene Smith arranged for the meeting. Dan Tyson, City Secretary presided and introduced the speaker.

E. P. Werner was a business visitor in Houston Thursday.

Red Cross Shipment Includes Many Things For Men at the Front

The first shipment of the Red Cross Unit was made Wednesday The shipment included: 208 Olive drab sweaters; 16 pairs of olive drab gloves; 55 pairs of Gurner Mits; 17 olive drab helments; and 41 cap mufflers.

The American Red Cross has requested this unit to knit 100 trutleneck sweaters and there is also 75 wool sweaters to be knitted for the Navy.

To those women who do not know how to knit, now is the time for you to come and learn. It takes at least 32 hours to knit a turtle-neck sweater. Every woman in town can knit at least one hour a day on these garments; since our boys are giving every hour in the day and night to fight for our country.

If you want to help keep our boys warm, please come to the Red Cross knitting room any day in the week. The knitting room will be open between 2:30 and 5 p. m.
